EXAMINER'S COMMENT

This Office Action is responsive to the applicant's amendment filed on Sept. 13, 2007.

Claims 2 and 7 have been amended. . Thus, claims 1-9 are pending in this application.

Allowable Subject Matter

1. Claims 1-9 are allowed.
2. The following is an examiner's statement of reasons for allowance:

Regarding claims 1 and 7: the prior art fails to disclose or render obvious the claimed combination including: a cylindrical borehole having a spherical recess, the rotors being disposed in said borehole, the recess having an opening through which the shank of the second rotor passes for engaging the motor shaft; first structural and biasing means for urging said inner housing against rotation within said housing; the inner housing being prevented from moving axially away from the rotors through a second structural means and at least one opening in the inner housing for transferring operating pressure in the space between the outer surface of the inner housing and the inner surface of the housing into the inner housing for producing contacting pressure between the inner housing and the rotors for minimizing gap flows.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
